A new standard of retirement living

Centrally located in the Nundah community, Alondra Residences premium living spaces and services are designed to enable greater comfort, choice, and opportunity when retiring.

We're proudly part of Lutheran Services, a not-for-profit organisation with a long history of serving the Nundah community. At Alondra, we believe the simple things in life, such as community, relationships, and variety, enable a happier and healthier retirement.

The home you deserve

When it comes to your retirement, you shouldn't have to compromise. Alondra Residences is architecturally designed to provide a boutique and luxury retirement option built around nature, the idea of community, and the essence of home.

A connected community

Located in Nundah, Alondra is just seven stops by train to the Brisbane CBD and a short walk to Nundah Village. Our 52 purpose-built apartments are set over 7 nature-filled levels. Some of our favourite features are the rooftop oasis, water wall in the foyer, reflection gardens, library and our multiple living spaces for entertaining and relaxation.

We believe retirement is about living with more freedom. Our modern in-house concierge service is here to help you live with ease.
