There for you

Welcome to Immanuel Gardens

Immanuel Gardens is home to a vibrant community of residents, carers, volunteers and families that share a love of the Sunshine Coast lifestyle.

Immanuel Gardens is operated by Lutheran Services, one of the longest serving supported living providers in Queensland, with more than 80 years' experience.

Our location

is a convenient and private 86-acre hilltop sanctuary at Buderim, with stunning coastal vistas just minutes to Maroochydore and Mooloolaba.

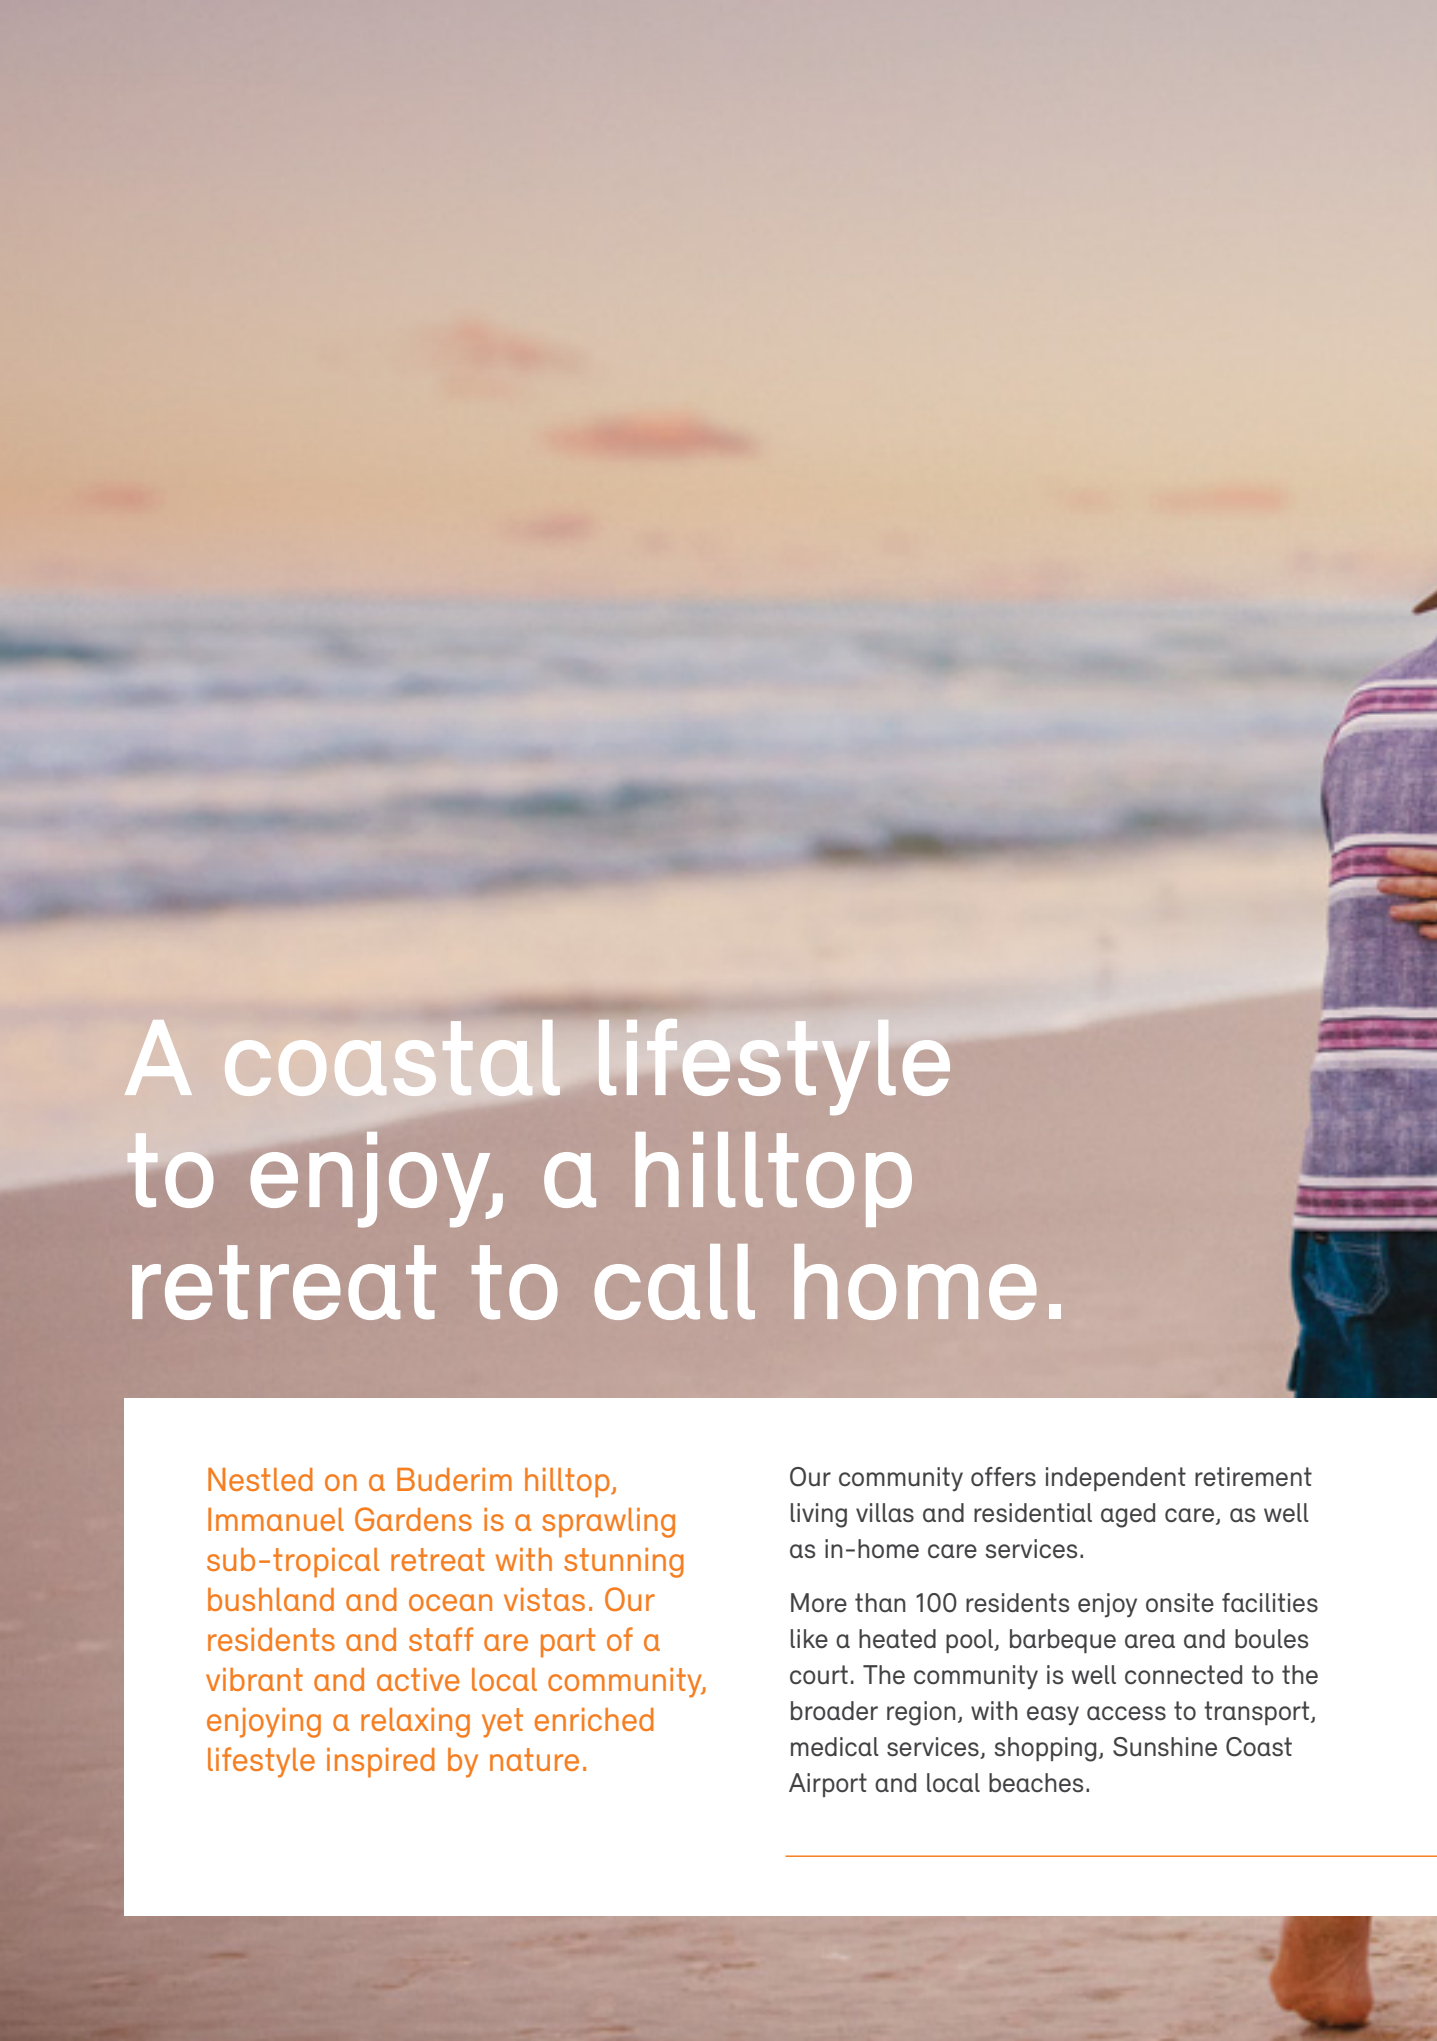

Our community

is an extended family where people are there for you, with an abundance of activities and amenities to enjoy. We are one of the region's only communities offering retirement living, aged care and home care services in one central place.

Our commitment

to you and your loved ones is a peaceful, healthy and joyful lifestyle—a promise that Immanuel Gardens has preserved for 30 years.

A coastal lifestyle to enjoy, a hilltop retreat to call home.

Nestled on a Buderim hilltop, Immanuel Gardens is a sprawling sub-tropical retreat with stunning bushland and ocean vistas. Our residents and staff are part of a vibrant and active local community, enjoying a relaxing yet enriched lifestyle inspired by nature.

A photograph of three elderly people outdoors. In the center is a man with a white mustache, wearing a green baseball cap with sunglasses perched on top and a light-colored checkered button-down shirt. To his left is a woman with short grey hair and glasses, wearing an orange shirt. To his right is another woman with blonde hair, wearing a pink and white striped shirt. They are all smiling and appear to be in conversation. The background is a soft-focus green, suggesting a garden or park setting.

A community devoted to enjoying retirement.

Immanuel Gardens offers retirees a range of stylish one, two and three-bedroom villas with beautiful vistas and sea breezes. All villas have dedicated car parking and a spacious, practical design.

Your days are full of possibilities, designed by you.

Start the day with a scenic walk or a swim in the heated pool. Volunteer in the village or socialise with neighbours. Invite family for a barbecue and relax with grandkids, enjoy time in the communal landscaped gardens or unwind with a coffee in your courtyard.

When you feel like a day out, take a drive to the beach, or the village bus to Buderim's town

centre or Maroochydore's Sunshine Plaza. Join an organised trip to a local attraction, concert or lunch.

If your lifestyle isn't complete without a furry friend, pets are most welcome. Our grounds are also home to beautiful native birds and friendly wildlife.

Your retirement years are to be treasured. At Immanuel Gardens, spend this precious time with people and experiences that matter to you.

"This is our sixth year in the retirement village. We looked around and compared, and Immanuel Gardens was it. It's a beautiful place and a nice community. We all get along really well."

Doreen & Kevin,
Retirement Living residents

"I'd been thinking about a retirement village... and this place was wonderful. I decided there and then. I joined the church community and became an activities volunteer with the aged care residents."

Lyn, Retirement Living resident

A Wider Community

Support for the people of Immanuel Gardens extends beyond our village to the wider community. Our aged care residents feel a sense of connectedness, enjoying regular interactions with local kindergartens, schools and volunteer organisations.

The help you need, when and how you need it.

Immanuel Gardens' Home Care team brings decades of Lutheran Services' aged care experience to your own home, when and how you need it.

When our local clients and their loved ones prefer an independent living arrangement, the Immanuel Gardens team can provide the added assurance of regular or as-required home care to support this choice.

Services are available through federal government-funded Home Care Packages or as fee-for-service.

Our in-home care packages are flexible and can include:

- General help around the home, with activities such as cleaning, laundry, gardening and basic maintenance
- Assistance with transport, shopping and attending medical appointments or social events
- Personal care such as dressing, mobility, meal preparation and dining, and
- Nursing, allied health and other therapies.

"From social activities to help around the home, we provide whatever support you need. And you'll see the same familiar face at the regular times that suit you."
