There for you

Welcome to Trinder Park.

Trinder Park is home to a vibrant community of residents, carers, volunteers and families that share a love of nature and life.

Our location

is a secluded 50-acre sanctuary neighbouring the protected Karawatha Forest and its friendly wildlife, just minutes from Logan Central and everything you need.

Our community

is enriched with history, where our residents enjoy an affordable yet high-quality lifestyle, where amenity and activities are in abundance, and where people are there for you.

Our commitment

to you and your loved ones is a peaceful, healthy and joyful lifestyle — a promise that Trinder Park has preserved for 50 years.

Trinder Park is operated by Lutheran Services, one of the longest serving supported living providers in Queensland, with more than 80 years' experience.

A hidden sanctuary, a local landmark.

Trinder Park was the pioneering vision of a local philanthropist, Arthur 'Pop' Trinder and his wife Dorothea, who aspired to develop a special place of affordable care for older Queenslanders.

Lutheran Services was trusted to realise this vision and nurture their legacy, opening Trinder Park in 1969.

Today, our community offers independent retirement living villas and residential aged care, as well as in-home support services.

More than 200 residents enjoy onsite amenities like a café, convenience store, chapel and allied health centre, with easy access to local transport, shopping and entertainment.

And with a choice of care and accommodation types, our couples, families and friends have the freedom to remain in our community as needs change.

Trinder Park is Logan's hidden sanctuary for supported living, conveniently located between Brisbane and the Gold Coast.

A community devoted to enjoying retirement.

Trinder Park offers retirees a range of private, well-designed one-and two-bedroom villas with modern finishes and dedicated car parking.

Your days are full of possibilities, designed by you.

Start the day with a bushwalk through Karawatha Forest, enjoy a coffee at the café then walk your grandkids to the duck pond, have a game of pool with friends or enjoy a massage at the allied health centre.

Experience inspiring meal times in the dining room with a fresh, gourmet menu delivered daily by our onsite chef.

If you feel like a day out, take a drive or catch the Council bus to Logan Central to shop or Logan Hyperdome to see a film, or join one of our mystery bus trips for a new experience.

And if your lifestyle isn't complete without a furry friend, pets are most welcome. Our grounds are also home to beautiful native birds and friendly wallabies.

Your retirement years are to be treasured. At Trinder Park, spend this precious time with people and experiences that matter to you.

"The first thing I noticed was how peaceful it was. I used to live nearby, and it was very noisy. Now I sleep all night until the birds call me up in the morning. I feel very safe. I don't worry at night. I'm in the perfect spot, absolutely."

Katrina, Retirement Living resident

*"I love the natural surrounds.
Wallabies come to my front door.
We have our own church,
bus stop and post box. We're
close to shopping centres.
There's help if you need it.
We're all friends,
not just neighbours."*

"I have a lot of good friends here. I like to join them for a meal and a talk. I enjoy living here because of the nature—the forest and all the birds and wallabies. Everything about the environment is just so beautiful."

Lorraine, Aged Care resident

"I'm very lucky. I get to make sure our residents have the best possible day, every day. There's lots of long-term staff at Trinder Park. It's like a family."
