

Orana
Retirement Village,
Kingaroy

A lifestyle to love

you first
flexible pricing
available.
Ask us how!

Orana is set up on the hill overlooking the main part of Kingaroy and out towards to Bunya Mountains.

Each of our units are set in amongst gardens which make our residents feel at home.

Our community hub is where you will find our other residents either enjoying a game of pool or completing a puzzle together. Board games are also a hit with our residents.

We are a close-knit community where everyone looks out for each other and with the Village manager onsite during business hours you have the ease of being able to easily connect with the management of the village.

There is a communal BBQ area and the residents do enjoy sitting outside enjoying a BBQ together. They have also gone on bus trips to local towns to enjoy the sites and have lunch out together.
