# A lifestyle to love

Enjoy the fresh air, gentle breezes, and tranquil surrounds at Wahroonga Retirement Village.

Enjoy the visiting entertainers and musicians or be active with the local community. Find a quiet nook in the landscaped gardens where you can enjoy watching the visiting wildlife or take a walk along our tree-lined paths.

Keep fit, garden, shop, socialise, volunteer, and entertain. Play bocce and croquet or sing along in the choir. At Wahroonga it's the little things that make the difference. The small community means personal service is our trademark.
