There for you

Welcome to St Paul's

St Paul's Caboolture is a vibrant village of residents, carers, volunteers and families who share a love of country-style living and connection with their local community.

Our location

is a tranquil 12-acre sanctuary of gentle breezes and open spaces, nestled between Brisbane and the Sunshine Coast, where the convenience of Caboolture's town centre is just minutes away.

Our community

is as caring as it is carefree. A place where neighbours are friends. Where we continue to pursue our passions and embrace new experiences. And where there's help when you need it.

Our commitment

to you and your loved ones is a peaceful, healthy and joyful lifestyle—a promise that St Paul's has preserved for over 20 years.

St Paul's is operated by Lutheran Services, one of the longest serving supported living providers in Queensland, with more than 80 years' experience.

A well-connected lifestyle in a peaceful setting.

With a long-standing connection to the wider Caboolture community, St Paul's provides opportunities for an affordable, convenient and enriched lifestyle in a thriving area of south east Queensland.

St Paul's offers retirees a range of stylish two-bedroom duplexes or stand-alone villas. All accommodation has dedicated car parking and a spacious, practical design.

Your days are full of possibilities, designed by you.

Volunteer in the village, organise a barbecue with neighbours or spend time with grandkids. Make a difference in the communal garden, visit the onsite hairdresser, or unwind at sunset on your private patio.

When you feel like a day out, take a drive or the village bus to the local country markets

or lawn bowls club, Morayfield Shopping Centre or Caboolture Square, or even the nearby historical village.

And if your lifestyle isn't complete without a furry friend, pets are welcome in our community.

Your retirement years are to be treasured. At St Paul's, spend this precious time with people and experiences that matter to you.

A Wider Community

St Paul's is synonymous with a culture of quality care and enriched quality of life. Our aged care residents feel a sense of connectedness and enjoy regular interactions with local kindergartens, schools and volunteer organisations.

The help you need, when and how you need it.

St Paul's Home Support team brings decades of Lutheran Services' aged care experience to your own home, when and how you need it.

When our local clients and their loved ones prefer an independent living arrangement, the St Paul's team can provide the added assurance of regular or as-required home care to support this choice.

Services are available through federal government-funded Home Care Packages or as fee-for-service.

Our in-home care packages are flexible and can include:

- General help around the home with activities such as cleaning, laundry, gardening and basic maintenance
- Assistance with transport, shopping and attending medical appointments or social events
- Personal care such as dressing, mobility, meal preparation and dining; and
- Nursing, allied health and other therapies.

"From social activities to help around the home, we provide whatever support you need. And you'll see the same familiar face at the regular times that suit you."
