Home Care

If you enjoyed ABC TV's Old People's Home for 4 Year Olds, you'll love Moving Moments!

Lutheran Services is a leading provider of aged care, retirement living, home care and community services in Qld. Encouraging creativity and building community is a big part of our work.

To spend time together, enjoy fun and games, and share moments of joy, connection and wonder.

The Moving Moments Project has brought children and seniors together in Gympie since 2020.

Besides from the wonderful intergenerational connections which occur, there are social activities which bring seniors together to form friendships.

How it works

The intergenerational activities involve a group of children and up to 10 seniors.

We also gather our seniors for morning tea or lunch for catchups and to form friendships.
