There for you

Moving Moments is a social, friendship and activity-based group just for you.

Lutheran Services is a leading provider of aged care, retirement living, home care and community services in Queensland. Encouraging creativity and building community is a big part of our work.

Moving Moments is a program that regularly brings together seniors in our community to enjoy a range of exciting social, intergenerational and recreational activities.

Moving Moments also provides topical educational activities and assists seniors to access support services they may need to remain active and well.

How it works

Moving Moments is open to older adults aged 65 years and over, and Aboriginal and Torres Strait Islander people aged 50 years and over living in the Biloela region.

Registration is free. Some activities require a small cost.
