Enjoy today.

Your home. Your life. Your way.

In-home services with
a smile, to make your
every day easier, healthier
and more enjoyable.

Enjoy the lifestyle you love, in your own home.

Building on our long history and strong reputation in supported living, Lutheran Services Home Care delivers flexible services for you to live independently and happily at home.

Our reliable, caring staff can support you with almost anything, providing the help you need, when and how you need it.

We're here to help.

We take care of the things you want us to, so you can continue to live independently. Whether it's help inside the home with activities like cleaning, cooking and laundry, or general maintenance tasks like gardening, walking the dog and taking you to medical appointments.

Our home care staff can provide assistance with transport, shopping and attending social activities. Or arrange for a nurse, doctor or other wellness professionals to visit you regularly if needed.

If you require more personal assistance and supervision, our caring staff can also help with activities like showering, dressing, mobility, meal preparation and dining.

The help you need, when and how you need it.

How can we support you?

We can visit you in your home to discuss how our services could support your needs and lifestyle.

You can pay for our home care services using government subsidies (subject to funding eligibility and approval) or as a fee-for-service arrangement. Our friendly team can discuss fee options available to you in an initial consultation, including information on the assessment process for government-funded support.

Our commitment to you.

We tailor our services to make the most of your budget and funding arrangements, and pride ourselves on delivering flexible care and assistance that adapts to your changing needs.
