## Remember:

Life's better when you enjoy the company you keep. We'll stay for at least 30 minutes, with visits charged in additional 15-minute increments after that.

Expect open and honest communication. Fees and charges will be reviewed from time to time. We'll let all existing clients know thirty days before any price increases.

Your lifestyle on your terms. We know that sometimes plans change. So that we can roster our staff in advance, please let us know as soon as you can if you need to cancel a service. If it's less than two full business days' before the scheduled service, the normal fee will still apply (but not if you're admitted to hospital).
