## Peace of mind for you and your family

Cabanda Care has proudly served Rosewood and the surrounding community since 1987. Grown from the heart of the community, it was built through local fundraising and volunteer effort to keep aged care close to home. Today, Cabanda is the largest aged care service in Rosewood and offers personalised aged care services focused on individual wellbeing and an enriched quality of life.

Cabanda Care is positioned in the charming town of Rosewood, just a short 20-minute drive south west of Ipswich. Surrounded by welcoming streets and a friendly community, residents enjoy the peaceful, village like atmosphere while remaining close to shops, cafes and local amenities.

Enjoy peace of mind with 24-hour nursing staff, aged care specialists, secure dementia care, memory support, palliative care, with permanent and respite care available.

Residents enjoy the beautiful range of rooms, with a variety of ensuited and shared bathroom options available.

Our creative lifestyle programs are designed to engage residents both individually and in groups, fostering connections, wellbeing, and a vibrant lifestyle every day. Our lifestyle coordinators are devoted to enhancing our residents' wellbeing every day. We connect our residents with experiences they enjoy. The music and art they love, the movies and stories that inspire them and food that delights them.
